## LEGACY HAMILTON PLAZA

Campbell, CA

Acquisition Date: February

Square Feet: 353,462

Property Type: Class A mid-rise suburban office

Description: A two building office complex built in 1990 with an architecturally unique design and premier West Valley location. The property appeals to the area's most prestigious tenants who enjoy an attractive central fountain courtyard setting, generous window lines with panoramic views, an executive fitness center, and subterranean parking. The property's prime location also affords tenants exceptional convenience to numerous retailers, executive housing, a Light Rail station and San Jose International Airport.

## 800 CORPORATE POINTE

Culver City, CA

Acquisition Date: February

Square Feet: 241,556

Property Type: Class A mid-rise suburban office

Description: Designed by Hellmuth Obata + Kassabaum Inc., and located in Culver City, California, a submarket of the prestigious Los Angeles Westside office market, this newly constructed building was designed to qualify for LEED Gold Certification. The impressive four-story building offers flexible, highly efficient 60,000 sf floor plates that are ideal for multi-tenant or full floor layouts and an adjacent six-level parking structure with 1,964 parking stalls. The project is easily accessible to the Marina (90), San Diego (405) and Santa Monica (10) Freeways, Los Angeles International Airport, as well as numerous high-end shopping venues, entertainment options and executive housing.

# 2008 ACQUISITIONS

## LEGACY YGNACIO CENTER

Walnut Creek, CA

Acquisition Date: March

Square Feet: 514,458

Property Type: Class A mid-rise suburban office

Description: Situated in a premier downtown Walnut Creek location, Legacy Ygnacio Center consists of three Class-A office towers ideally located across the street from the Walnut Creek BART station and near the junction of Interstate 680 and Highway 24, offering immediate access throughout the Bay Area via private and public transportation. The project features high-quality common area finishes and tenant build-outs, sweeping views of Mt. Diablo, desirable on-site and nearby amenities, abundant parking, and an attractive park-like setting.

## 70 SOUTH LAKE

Pasadena, CA

Acquisition Date: March

Square Feet: 104,466

Property Type: Class A mid-rise suburban office

Description: Located in Pasadena's CBD, 70 S Lake enjoys convenient access to the 110,134 and 210 freeways and Gold Line Rail Station, and is within walking distance of numerous shops, restaurants and other services. The project features 16,500 sf floor plates, a 3/1,000 sf ratio in a five-level parking structure, and amenities that include an on-site bank and ATM, 24-hour life and safety systems, three passenger elevators and a dedicated freight elevator.
